Hi [REDACTED]

We are still working on this request. The initial search yielded a very large volume (approximately 1400 pages). Given that, and coupled with your multiple other requests we are simultaneously working to complete, I expect this to be completed by 12/31/19.

As always, we will try to complete things sooner. Please let me know if you would like to narrow or focus the search terms in any way.

Thank you,

Dan Halden

I apologize for the delay in response. This letter is in response to your request, pursuant to the California Public Records Act (CPRA), received by Council District 13 seeking records pertaining to all emails between me and anyone at "hollywoodbid.org" from January 1, 2018 through May 23, 2019.

Please be advised that this office finds that "unusual circumstances" exist with respect to the request, as that term is defined in California Government Code section 6253(c). Unusual circumstances exist because of the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records in order to respond to the request.
